

# Where to Purchase Native Trees & Shrubs

## Nurseries and Plant Sales within a 20 mile radius of Downers Grove\*

When purchasing:

- Double check availability. Some specimens might show as available online but are actually out of stock.
- If your landscape project is on a specific timeframe, make sure the purveyor can get your material ready for pickup or delivered on time.
- Sizes: Container sizes might vary between business (1-gallon at one place, might be different at another). Make sure the tree/shrub your buying is the size you're expecting.
- Shop around: prices can vary widely, especially with size options.
